

School of Accountancy, Management, Computing and Information Studies

VISION AND MISSION

The School of Accountancy, Management, Computing and Information Studies (SAMCIS) is envisioned as the center of excellence in Business, Management, and Information Technology Education, committed to the creative, competent, and Christian formation of individuals, who can be agents of progress in the changing local and international business and information technology environments.

SAINT LOUIS UNIVERSITY
BAGUIO CITY, PHILIPPINES

SCHOOL HISTORY

The School of Accountancy, Management, Computing and Information Studies is a merger of two schools, namely the School of Accountancy and Business Management, which was originally the College of Commerce, one of the four original schools of Saint Louis College, and of the School of Computing and Information Sciences in 2018.

It is currently housed at the Maryheights Campus of Saint Louis University.
